Welcome Message

Dear Colleagues,

We are honoured and delighted to welcome the distinguished speakers, delegates, clinical and medical professionals, researchers, and industry leaders from all around the world to participate in the Women Empowerment and Leadership Summit (WEL) during April 27-28, 2026 which will be held in Singapore.

The conference aims to shed light on the role of women and examine the current landscape of women's empowerment. It will foster meaningful dialogue on gender equality, women's participation across diverse sectors, and the challenges and opportunities that lie ahead.

There are no limits to what you can achieve—especially when you have the right tools, the right mindset, and a clear plan. At the Women's Empowerment Summit, you'll hear from leading experts who will provide the guidance, clarity, and focus you need to reach your goals. You'll also connect with like-minded women who share your drive and ambition. Whether you're looking to elevate your life or grow your business, this is the event you won't want to miss.

We hope that you will find Public Safety Congress is enjoyable and valuable. We are excited about the opportunities of holding an innovative hybrid conference (both Online & In-person) and reaching a wider audience than a conference can possibly include.

We look forward to meeting you in Singapore for the Women Empowerment and Leadership Summit (WEL-2026)

Warm Regards
